

# Carbon Valley Half Marathon Inc.

~ Annual Report 2018

**Our mission statement and vision:** We bring our community together to continue to educate and improve lives that are affected by Autism. Our goal is to raise significant funds every year to benefit Colorado Children's Hospital Autism Research with returning participants and new faces each year.

## Accomplishments:

- Since our inaugural event in 2013, we have raised & donated more than \$95,000 to Children's Hospital Colorado for Autism Research.
- We are proud of our partnerships with the local governments of Firestone and Frederick whom assist in our efforts with resources and funding.
- We were honored to be the recipient of the Town of Firestone's "Mayor's Award" in 2013.
- We have been featured in local newspapers annually including the Longmont Times Call's "Hero's 2014" series and the 2016 "100 Community Review"
- We continue to attract 100 volunteers each year on race day. Our community is very connected to our event and many call it their own "family tradition".
